NOTE FROM OUR COURSE DIRECTORS

DEAR COLLEAGUES,

It is with great pleasure that we are holding the 9th annual "Blood In Motion® Conference - 2014" on Thrombosis & Hemostasis.

By annually gathering the physicians and health care professionals, we provide a comprehensive one-day conference on the latest trends, practices, and recommendations for the prevention, diagnosis, treatment, and long-term management of both thrombosis and hemostasis issues.

Our speakers and topics this year should provide an abundance of the latest information, allowing for provocative questions and lively discussion. If you require any further information or have any questions about the conference, please contact our conference planner, Deborah Small at: 412-209-7320 or by e-mail at dsmall@itxm.org.

As always, we look forward to seeing you at another exciting event on **Friday May 2, 2014** at the Sheraton Station Square.

Warm regards,

FRANKLIN A. BONTEMPO, MD
Medical Director, ITxM Diagnostics
Associate Professor of Medicine
University of Pittsburgh School of Medicine
Division of Hematology/Oncology
Pittsburgh, Pennsylvania

MARGARET KENNEDY, MD, MSC
Hematology Consultant
Fletcher Allen Health Care
University of Vermont
Burlington, Vermont

CONTINUING EDUCATION CREDIT

This activity has been planned and implemented in accordance with the Essential Areas and Policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint sponsorship of the University of Pittsburgh School of Medicine and Institute For Transfusion Medicine. The University of Pittsburgh School of Medicine is accredited by the ACCME to provide continuing medical education for physicians.

The University of Pittsburgh designates this live activity for a maximum of 6.2 AMA PRA Category 1 Credit(s)[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Other health care professionals are awarded .6 continuing education units (CEU's) which are equal to 6.2 contact hours.
